Digitization of the Australian Parliamentary Debates (1901-2022)

Lindsay Katz   Rohan Alexander

Introduction

- Mention the available formats of Hansard

Existing Datasets

- What already exists, and how has it been used
- How are these existing data sets lacking?
- How do we account for this in our data set?
  - WhoGov article has good summary table offering comparison to other existing data sets

Description of the Dataset

- I figure this would be a good spot to highlight everything within the dataset, as well as descriptive statistics

Creation of the Dataset

Interjections

Question time

Validation

- Might also mention strengths and weaknesses of our dataset

Applications

Conclusion

References
